

As seen in JCK Luxury

Winter 2008 – *Style Showcase: Bridal Jewelry*

WRIGHT & LATO
[6] New from the Platinum Group Metals (PGM) collection are bands made only of platinum, palladium, and ruthenium. Shown is a 7 mm wide palladium ring inlaid with a platinum design.

The Winter 2008 edition of *JCK Luxury* featured Wright & Lato's *PGM Collection* wedding ring style X2004/7GQP.
